## OUR HISTORY

The Ecumenical Community Center Foundation (ECCF), was created in 1995 with a vision of serving community needs. Supported mainly by donations, the ECCF depends on help from people like you. Cutbacks in government programs have greatly increased the demand for ECCF services. Please join us as we minister to those most in need. Show them that they are not alone- someone cares. **You** can make the difference for someone today!

## OUR MINISTRIES

### HELPING HANDS MINISTRY

HHM receives over 1000 calls and “walk-in” requests for help each month. The ministry provides problem solving, referral, and emergency assistance to people in danger of “falling between the cracks.” HHM regularly receives referrals from churches, agencies, and government offices. Contact HHM Monday thru Friday from 10 AM to 4 PM at 319-366-2651 or visit [www.ecc-cr.net](http://www.ecc-cr.net).

### COMPUPLACE

This ministry is a specialized computer-based learning center for people with disabilities. We use computers along with the Internet and adaptive software, equipment, and methods. Individual learners enjoy opportunities to develop a variety of social, academic, and computer skills, to communicate, increase independence, and to continue lifelong learning with dignity and respect. For more about CompuPlace, call 319-362-4284, or visit [www.ecc-cr.net](http://www.ecc-cr.net).

### AGENCY HOUSING

ECCF provides low-cost office space to other non-profit agencies. The reduced rent offered by the ECCF allows these agencies to focus more of their precious dollars on direct service to their beneficiaries. To learn more about available space and current costs, call 319-366-2651 or visit [www.ecc-cr.net](http://www.ecc-cr.net).

### MARGARET BOCK HOUSING

This associated program operates through its own 501(c)(3) status and Board of Directors. MBH provides low-cost housing to individuals who desire to become self-sufficient.
