Letter From the President

Happy New Year! The Ecumenical Center had an active year in 2010 and we look forward to 2011. Thanks to your help, excellent staff and volunteer support in 2010 the Ecumenical Community Center was able to

Provide \$6,000 per month in emergency financial assistance through the Helping Hands Ministry program. This money helped provide housing, utilities, and limited local transportation.

Administer funds to provide 296 'first month's rent' grants. These grants, completely separate from the emergency assistance program, came from the Housing Fund for Linn County and the City of Marion. Helping Hands Ministry's role in administering the funds reflects its reputation for careful stewardship of funds. All grant funds went to qualified residents. Your support provided the staff time for Helping Hands to administer the programs.

Provide hundreds of hours of computer access to persons with disabilities. The CompuPlace program used special equipment and software to provide customized access to an extraordinary variety of computer programs.

Provide the space for the meals programs of Green Square Meals and the Witwer Senior Center. Together these programs served over 300,000 meals in 2010.

Provide reduced-cost office space for several non-profit organizations, including Foman Infant Care, the Tapestry Program, the SERRV store and Cedar Rapids Aquatics.

Provide free storage space for several churches still dealing with damage from the 2008 flood.

With your support and God's help the Ecumenical Center looks forward to helping address the needs of our community in 2011. May God bless you and guide us all in the New Year.

Jim Kennedy, ECC President

Lois Ann Rude, HHM Director

Kiersten Onanga, HHM Staff Associate

HHM has a mission to provide material assistance, referrals, and/or supportive ministry to persons in emergency need in collaboration with faith communities and local agencies in Linn County. It provides caring support to people in emergency need and preserves dignity by helping them manage their own lives. They are Linn County residents with incomes that fall below 100% of the Federal Poverty Guidelines. **During 2010, 745 households representing 1,559 persons** were assisted with rent, utility, security/utility deposits, and miscellaneous items such as birth certificates, photo identifications and limited transportation. Another 3,300+ referrals were made. This is made possible by the generosity of the Linn County faith community, private donations and grants.

Helping Hands Ministry (HHM) is the recipient of two grants to help households with first month rent. **The City of Marion granted \$36,260** to be used for 1st mo rent to Marion residents who were experiencing difficulty moving into a new place. Due to limited income, they could pay either the deposit or the rent, but not both. When approved, the household pays the deposit and the grant pays the rent. A total of **92 households representing 204 persons were assisted** at a cost of \$36,260.

The **Housing Fund for Linn County** provided a \$70,000 grant to be used in 2010 for either 1st month rent, rent deposit, one month's rent to avoid eviction or utility deposit to residents of Linn County. Applicants' income must fall within the 30% Area Median Income as determined by the U.S. Department of Housing and Urban Development. They must pay their own deposit, have a steady source of income/support for the last three months, and show that they will be able to continue paying for ongoing rent afterwards. A budget counseling session with Horizon's Consumer Credit Counseling is mandatory. A total of **158 households representing 397 persons were assisted** at a cost of \$70,000. A grant application for 2011 was approved in the amount of \$70,000. *We are very thankful for these two grants that have been a tremendous help to 250 households representing 601 persons!*

HHM also received a \$25,000 grant from the Greater Cedar Rapids Community Foundation to assist households who experienced documented loss following the Flood of 2008. During 2010, **75 households representing 172 persons** were assisted with rent, utility, minor auto repair, licensing, minor home repair, etc. at a total cost of \$20,034.41. The remaining \$4,965.59 can be utilized in 2011. A grant application requesting another \$25,000 will be submitted in Feb.

In total, 1070 households representing 2,332 persons received financial assistance in 2010! This represents a 3% increase that would not have been possible without all your support! Thank you! Thank you! Thank you! May you have a healthy and joy-filled 2011!

COMPUPLACE: A Specialized Computer Learning Lab for People with Intellectual Disabilities

In 2010, 106 individuals visited CompuPlace for over 1800 hours of computer work. On average, 47 people worked for 150 hours each month. Just over 1930 hours of paid staff time were required to run the center and provide in-house technical assistance at the ECC. With budget cuts and family belt-tightening, CompuPlace brought in only \$5899 in total contributions from clients, family and community members. Operational support is crucial. Most of our computers are provided by REACT and Rockwell's Employee United Fund, but support for the one single salary required for CompuPlace to function is much harder to identify and obtain.

Clients come to CompuPlace for a mental workout. It's a lot like going to the gym for a physical workout. We thought ECHO readers might enjoy a workout using web sites and games similar to the ones we use here. Play games on the internet at your own risk, but we have had no trouble with the sites below. An article from Time Magazine entitled, "Study: Brain Exercises Don't Improve Cognition" includes information about why this study may be right AND wrong:

Returning Prisoner Simulation on 02/05/11

Presented by: Ecumenical Community Center

“Do not be afraid any longer...your Father is pleased to give you the kingdom.” Jesus said this to his disciples and to us today, but how do we live as **“kingdom people”**? A suggestion for this is happening Saturday, February 5 in St. Pius X Hall from 9:30 a.m. – 1:30 p.m. A brief explanation follows.

At the simulation, you are provided with a new identity as a parolee released from prison that morning. The session guides you to try to accomplish all the tasks facing returning prisoners in their first month back in the community, such as obtaining housing, a job, paying restitution and child support, while trying to avoid being sent back to jail. It is an eye opening opportunity. A debriefing is held afterwards, so participants can exchange reflections on your own role in prisoner re-entry – a chance to live as **“kingdom people”**.

This simulation is open to the public and is appropriate for adults and high school students. A \$10.00 donation is requested from adults and \$5.00 from high school and college students. Pre-registration is requested. Contact Lois or Kiersten at 319-366-2651 or helpinghands@ecc-cr.net.

WALK IN THE SHOES OF A RETURNING PRISONER

ECC Board Meetings are held the last Thursday of each month beginning at 7:00 p.m.—8:00 p.m.

Development Director's Corner:

2010 is in our memories. I look forward to 2011 and the joy of creating more new outcomes for the people we serve. Many are "so close" to losing their water, their electricity, their housing, or their jobs.

Many are juggling bills so closely that the unexpected loss of a day's pay can have devastating consequences. It is sobering to hear the stories - "I have four children...." My check was short "... My daughter says if we are ever homeless..."

I am grateful for all the people who have talked with me the last few weeks. Ministers with busy holiday schedules; lay people assuming new responsibilities in their churches; community leaders; and our board members and staff have all provided insight and direction for my seeking funding for needs that never end. Thank you for keeping the Ecumenical Community Center Foundation in your hearts and your prayers. We also appreciate your generous "gifting" at the Alternative Gift Market!

Please contact me. I am grateful for opportunities to share the Ecumenical Center's story with your church group or organization. I also have a few ideas of how to "make money" where there is no money to benefit ECCF; I would love to hear your ideas, too! You may like to consider volunteering for our Board; to answer our phone; or to be a welcoming presence in our lobby. There are many ways to be a Helping Hand! **My e-mail is mvulchard@msn.com; my cell phone # is 319-491-4523.**
